We are proceeding on the assumption that you are going to give a talk to our Science Club on April 27, 7:30 pm, in Room 315, Buttrick Hall (on the campus). We are announcing it under the title "~~xxxxxxxxxxxxxxxx~~ ~~xxxxxxxxxxxxxxxx~~ "The structure of the gene and the nature of gene action in relation to work on Paramecium". We chose this title as the most likely to have a strong appeal, as a title. Do not feel committed by the title in the selection of the subject matter you want to present.

Very sincerely yours

M. Delbrück
